God—or Gorilla
Images of Evolution in the Jazz Age
Constance Areson Clark

“A splendid study and an important contribution to our understanding of the role of science in democratic society. It shows not only how early advocates understood evolutionary theory, but also how they illustrated and explained it, packaging it for a popular audience. This is interdisciplinary scholarship at its best.”

—Michael Lienesch, author of In the Beginning: Fundamentalism, the Scopes Trial, and the Antievolution Movement

2008  320 pp., 4 halftones, 28 line drawings

978-0-8018-8457-3 $29.95 hardcover

A Commonwealth of Hope
The New Deal Response to Crisis
Alan Lawson
Challenging conventional wisdom, Lawson argues that the New Deal was not an improvised response to an unexpected crisis, but the realization of a unique opportunity to put into practice Roosevelt’s long-developed progressive thought.
2006 304 pp.
978-0-8018-8407-8 $9.95 paperback

The Troubled Dream of Genetic Medicine
Ethnicity and Innovation in Tay-Sachs, Cystic Fibrosis, and Sickle Cell Disease
Keith Wailoo and Stephen Pemberton

The Making of Robert E. Lee
Michael Fellman

“In a study rich with discussions of Lee's religious beliefs and political opinions, the author skewers previous efforts to detach Lee from slavery, racism, and the Lost Cause. Sure to arouse debate, this book challenges and delights, and no one will come away from reading it thinking of Lee in quite the same way.”

—Library Journal

2003 384 pp., 3 illustrations 978-0-8018-7411-6 $19.95 paperback

A House Divided
Sectionalism and Civil War, 1848–1865

Brutes in Suits
Male Sensibility in America, 1890–1920
John Pettigrew
“This lively, well-written exploration of the ‘de-evolutionary’ turn in the dominant model of masculinity in the United States since the mid-nineteenth century is smart, compelling, and often tartly funny.”
—Toby L. Dirz, Johns Hopkins University
2007 424 pp., 24 halftones 978-0-8018-8603-4 $60.00 hardcover

Against Obscenity
Reform and the Politics of Womanhood in America, 1873–1935
Leigh Ann Wheeler
“Beautifully written and beautifully crafted. It makes a strikingly original argument: that in re-defining the meaning of obscenity, women reformers legitimized sexual education. Against Obscenity achieves a rare balance: it manages to be scholarly, accessible—and relevant.”
—Wendy Gamber, Indiana University
2004 272 pp., 14 halftones, 1 line drawing 978-0-8018-8638-6 $25.00 paperback

From Muslim to Christian Granada
Inventing a City’s Past in Early Modern Spain
A. Katie Harris
Explores how the people of Granada, thought to be the last independent Muslim city on the Iberian Peninsula before it fell to the Catholic forces of Ferdinand and Isabella, created a new Christian civic identity around previously undiscovered lead tablets inscribed in Arabic. These documents were later declared forgeries.

The Papers of Dwight David Eisenhower
edited by Louis Galambos, Alfred D. Chandler, Jr., and Daun Van Ee

For over thirty years, historians, political scientists, sociologists, military analysts, and students have turned to The Papers of Dwight David Eisenhower to find the most significant letters, memoranda, cables, and directives written or dictated by Eisenhower from the years prior to World War II through the full term of his presidency. Now for the first time, all of these documents—from his confidential letter to George Catlett Marshall regarding the “colored troops” to his recipe for beef steak—are accessible electronically to a new generation of students and scholars. The complete online edition of The Papers of Dwight David Eisenhower combines the full text of all 21 volumes—over 14,000 pages—with a powerful search engine and user-friendly interface.

Encyclopedia of American Studies
edited by Miles Orvell, Randy Bass, Johnella Butler, Ann Fabian, and Jay Mechling

The term American studies encompasses a vast range of disciplines, all of which, in one way or another, are trying to describe the cultures of the United States. In recent years American studies has also incorporated comparative studies of Canada and Latin America; and indeed a transnational, global perspective on American culture has become one of the leading currents in the field as we begin the twenty-first century. Where, after all, do the borders of America stop, when its influence was, throughout the twentieth century, so pervasive on world cultures?
