The Constitutional Presidency

edited by Joseph M. Bessette and Jeffrey K. Tulis

Since 1981, when Bessette and Tulis first published The Presidency in the Constitutional Order, the study of the constitutional powers of the presidency has advanced considerably. Bessette and Tulis continue the conversation almost 30 years later, presenting original research on the most significant issues regarding presidential power and the Constitution.

Outside the Law

Emergency and Executive Power

Clement Fatovic

This engaging, carefully considered survey explains how liberalism’s founders attempted to reconcile the principles of constitutional government with the fact that some circumstances would demand that an executive take normally proscribed actions. Scholars of liberalism, the American founding, and the American presidency will find Fatovic’s reasoned arguments against the conventional wisdom enlightening.

978-0-8018-9362-9 $55.00 hardcover

The Political Philosophy of Thomas Paine

Jack Fruchtman Jr.

This thorough study explores the sources and impact of one of the early republic’s most influential minds. Fruchtman’s systematic approach identifies the themes of signal importance to Thomas Paine’s political thought, demonstrating especially how crucial religion and God were to the development and expression of his political ideals.

978-0-8018-9284-4 $45.00 hardcover

The Political Philosophy of George Washington

Jeffry H. Morrison

This insightful, concise story makes clearer the complexities of the revolutionary era and shows how the first president’s political ideas shaped governmental institutions and instantiated the nation’s foundational principles.

From Words to Worlds
Exploring Constitutional Functionality
Beau Breslin
“Provides a refreshing break from the common focus on the U.S. Constitution in favor of a global perspective that explores the functions of constitutions in many different societies.”
—Harvard Law Review
978-0-8018-9051-2 $50.00 hardcover

The Communitarian Constitution
Beau Breslin
“A worthy analysis of the ever-present dilemma in constitutional governments—individual rights in tension with the public good.”
—Choice
978-0-8018-8538-9 $25.00 paperback

Immigration and Integration in Urban Communities
Renegotiating the City
edited by Lisa M. Hanley, Blair A. Ruble, and Allison M. Garland
This volume challenges both policy makers and academic analysts to reframe their discussions of urban migration, and to recognize the contemporary immigrant city as the dynamic, constantly shifting form of social organization it has become.
2008 336 pp., 5 maps
978-0-8018-8641-0 $55.00 hardcover

The Madisonian Constitution
George Thomas
“In this ambitious, densely written and thought provoking work, Thomas proposes a perspective on constitutional interpretation that is at once a normative theory of constitutional practice and a redescription of constitutional history informed by that practice.”
—Law and Politics Book Review
978-0-8018-8852-6 $50.00 hardcover

Chimpanzee Politics
Power and Sex among Apes
25th anniversary edition
Frans de Waal
“Even more enlightening than Machiavelli’s The Prince, this book describes power takeovers and social organizations in a chimpanzee colony . . . I’ll never look at academic or corporate politics the same way.”
—Jim Collins, Inc.
2007 256 pp., 135 b&w illustrations
978-0-8018-8656-0 $24.95 paperback

To Enlarge the Machinery of Government
Congressional Debates and the Growth of the American State, 1858–1891
William James Hull Hoffer

Constitutional Democracy
Creating and Maintaining a Just Political Order
Walter F. Murphy

Winner, 2007 Best of the Social Sciences, Professional and Scholarly Publishing Division, Association of American Publishers

“The phrase ‘instant classic’ may be an oxymoron, but if it can be fairly applied to any recent work in the field of constitutional theory, this is the one.”
—Law and Politics Book Review

978-0-8018-9107-6 $40.00 paperback

Leo Strauss
An Introduction to His Thought and Intellectual Legacy
Thomas L. Pangle

“The book, first and foremost an introduction to the political philosophy of Leo Strauss focusing on larger themes and questions, is readable and accessible to a general, higher-level intellectual audience.”
—James W. Ceaser, University of Virginia

978-0-8018-8440-5 $20.95 paperback

Political Philosophy and the God of Abraham
Thomas L. Pangle

The Paradox of Democratic Capitalism
Politics and Economics in American Thought
David F. Prindle

“This work is graceful, authoritative, insightful, synthetic, shrewd, magisterial, and fun to read. Prindle leaps over the wall separating economics, politics, and legal thinking, writing a synthetic history that traces these three themes and—crucially—the many ways they have interacted with each other. An astonishingly ambitious and powerful study.”
—James Morone, Brown University

978-0-8018-8411-5 $49.95 hardcover
Plato and the Virtue of Courage

In Praise of Deadlock
How Partisan Struggle Makes Better Laws
W. Lee Rawls

With budget reconciliations, filibusters, and supermajorities making headlines, this book explains the legislative process and its checkpoints in the American system. As a longtime practitioner, Rawls offers unusual insight into partisan struggle. Such grappling, Rawls concludes, results in a nuanced, durable machine, producing better laws that have benefited from minority input.

978-0-8018-9403-9 $20.00 paperback

Presidential Rhetoric and the Public Agenda
Constructing the War on Drugs
Andrew B. Whitford and Jeff Yates

The bully pulpit is one of the modern president’s most powerful tools—and one of the most elusive to measure. Presidential Rhetoric and the Public Agenda uses the war on drugs as a case study to explore whether and how a president’s public statements affect the formation and carrying out of policy in the United States.

Three Generations, No Imbeciles
Eugenics, the Supreme Court, and Buck v. Bell
Paul A. Lombardo
“Law professor and historian Paul Lombardo does a superb job of revealing, for the first time, all the facts in the infamous Buck v. Bell case of the 1920s, the Supreme Court decision ratifying Virginia’s compulsory sterilization of ‘feebleminded’ people.”

Legal Borderlands
Law and the Construction of American Borders
edited by Mary L. Dudziak and Leti Volpp
This collection focuses broadly on the role of law in the construction of United States borders and takes up an important question raised by the global turn in American studies scholarship: once territory becomes less critical to scholarship in the discipline, what constitutes the frame of American studies?
