CORRIGENDA

On page 16, item 1.5.ii, the following line should be inserted after line 7:

EX HVMILIORI LOCO IN AREAM CAPITOLINAM

The line numbers of the final two notes should be changed to 9 and 10.

On page 17, the English translation of the item should read:

Paul the Third, Supreme Pontiff, that he might foster the memory of the best of emperors and restore to the nation its glories and honors, transferred from a lowlier site to Piazza del Campidoglio the bronze equestrian statue erected by the Senate and People of Rome to Marcus Antoninus Pius in his own lifetime, later overthrown in the course of the City’s sundry calamities and set up again at the Lateran Basilica by Sixtus the Fourth, Supreme Pontiff, and dedicated it in the year of Salvation 1538.
