CCTSI Community Engagement Pilot Grants
Final Report

__In no more than five pages, single-spaced__, please report on the final progress of your community-academic partnerships during your one-year grant period. We expect that both community and academic partners will participate in developing this final report. Your final report should address each of the following areas listed in items 1-6—with a recommended page length for each section. Finally, we ask that you include a list of tangible "products" of your Community Engagement Pilot Grants *(**this list does not count against your five-page limit**).* For questions or more information, please contact Dr. Debbi Main, Director, Community Engagement Pilot Grants, CCTSI (Debbi.Main@ucdenver.edu or 303-556-6743).
