I recommend that our library subscribe to the following journal:

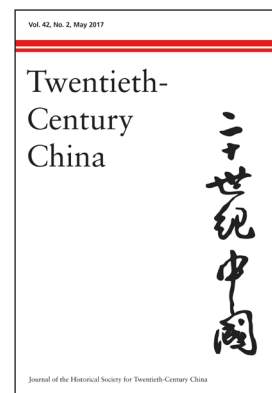

Twentieth-Century China The Journal of the Historical Society for Twentieth-Century China (HSTCC)

Editor: Kristin Stapleton, *University at Buffalo*.

Associate Editors: Maggie Greene, *Montana State University*
and Zhao Ma, *Washington State University in St. Louis*.

P-ISSN: 1521-5385 / E-ISSN: 1940-5065. Published three times a year.

Please visit www.press.jhu.edu/journals for more information.

Important uses of *Twentieth-Century China* would include:

- REFERENCE:** For current research articles as I find them through citations in related journals or books.
- STUDENT READING:** I plan to scan the contents of new issues regularly to add to my students' reading lists.
- PUBLICATION OUTLET:** My current research requires a publication outlet in this area. I need this journal to keep up to date with its editorial direction and interests.
- PREDICTED BENEFIT FOR LIBRARY:** My evaluation of this journal's content and direction is very high and it is cited and/or indexed heavily. Including this journal in our library will, in my assessment, add to the library's success in fulfilling overall department, faculty, and student needs.
- PERSONAL AFFILIATION & DISSEMINATION:** I regularly receive my own personal copy of the journal and will be recommending articles on a regular basis to students and colleagues. The library's help in providing this material is most appreciated.
