Chapter 1. Early Days

How Prognosis Affects the Advance Care Plan

**Ethics Consultations**

**Chapter 2. Working with Patients’ Families**

**Partnering with Medical Interpreters**

**Relevant Legislation and Regulations**

Resources on Culture

American Psychological Association, “End-of-Life Issues and Care,”

American Psychological Association, “End-of-Life and Socioeconomic Status Fact Sheet,”

Ethno Med: Phyllis R. Coolen’s overview article, “Cultural Relevance in End-of-Life Care,”
https://ethnomed.org/clinical/end-of-life/cultural-relevance-in-end-of-life-care, provides an overview of the key areas in which culture can influence end-of-life decision-making.

National Resource Center on LGBT Aging, “End of Life Decisions,”
https://www.lgbtagingcenter.org/resources/resources.cfm?s=7.

Chapter 3. Spiritual Care in Palliative Care

General

The Spiritual Landscape of Patients with Serious Illness

Positive and Negative Religious Coping

Spiritual Needs and Spiritual Distress

Spiritual Assessment

Clinicians Providing Spiritual Care

The Role of Religion in Medical Decision-Making

“I’m Waiting on a Miracle!”

Chapter 4. Sexuality, Intimacy, and Cancer

Davis C. 2009. Find time to talk to your patients about sex. Cancer Nursing Practice 8:6–7.

Park J, Safer J. 2018. Clinical exposure to transgender medicine improves students’ preparedness above levels seen with didactic teaching alone: A key addition to the Boston University model for teaching transgender healthcare. Transgender Health 3:10–16.

Chapter 5. Advancing Disease

Chapter 6. Assessing the Patient in Pain

General

PROs and Clinical Decision Support

**Telehealth**

Chapter 7. Pharmacologic Management of Cancer Pain

**Drug Use in Hepatic Failure**

**Drug Use in Renal Failure**

**NSAIDs**

**General Discussion**

**Efficacy**

Side Effects and Complications

Opioids

Strategies for Minimizing Harm

**Risk Mitigation**

General Guidelines

Oral Route

CODEINE

FENTANYL (ORAL/NASAL TRANSMUCOSAL)

**MEPERIDINE**

**LEVORPHANOL**

**BUPRENORPHINE**

**METHADONE**

MORPHINE (SUSTAINED-RELEASE KADIAN [KAPANOL])

OXYCODONE (SUSTAINED-RELEASE)

OXYMORPHONE

TAPENTADOL

TRAMADOL

Topical Opioids

Transdermal Fentanyl

Rectal Route

**Intravenous Route**

**Subcutaneous Route**

**Spinal Opioids / Anesthetics**

**Opioid-Induced Side Effects**

**CONSTIPATION**

NAUSEA

SEDATION

**RESPIRATORY DEPRESSION**

**MYOCLONUS**

**PRURITUS**

**Adjuvant Analgesics**

**Neuropathic Adjuvants**

**GENERAL DISCUSSIONS**

**ANTIDEPRESSANTS**

**TREATMENT-INDUCED NEUROPATHY**

NK-1 RECEPTOR ANTAGONISTS

CORTICOSTEROIDS

SPINAL CORD METASTASES AND COMPRESSION

**ACUTE HERPETIC ZOSTER INFECTION AND POST-HERPETIC NEURALGIA**

**ANTICONVULSANTS**

**CANNABINOIDS**

**KETAMINE**

**LIDOCAINE INFUSION**

**DEXMEDETOMIDINE**

**Adjuvants for Bone Pain**

**BONE-MODIFYING AGENTS (BIPHOSPHONATES AND RANK-LIGAND INHIBITORS)**

**KYPHOPLASTY/VERTEBROPLASTY**

**RADIOFREQUENCY ABLATION**

**EXTERNAL BEAM RADIATION AND RADIOPHARMACEUTICALS**

**SKELETAL MUSCLE RELAXANTS**

**Anesthetic and Interventional Methods**

**GENERAL REFERENCES**

**TOPICAL AGENTS**

**EMLA**

Rice LJ, Cravero J. 1994. Relieving the pain and anxiety of needle injections—Experience with EMLA cream (lidocaine 2.5% and prilocaine 2.5%) dermal anesthetic. Today’s Ther Trends 11:175–85.

**LIDOCAINE**

**CAPSAICIN**

**ORAL ANESTHETICS**

**Neural Blockade and Neuroablation**

**CINGULOTOMY**

Relieving Pain in Older Persons

Relieving Pain in Patients with Substance Use Disorder (see also Risk Mitigation)

Managing Pain in Cancer Survivors

Managing Pain in Multiple Myeloma and Hematopoietic Stem Cell Transplant Recipients

Common Clinical Situations: Rapidly Relieving Excruciating Pain

Chapter 8. Nonpharmacologic Strategies in Palliative Care

**General Integrative Oncology / Complementary and Alternative Medicine**

Alternative Medical Systems

**Acupuncture**

Yoga

Manipulative and Body-Based Methods

Lymphedema

**Qi Gong and Tai Chi**

**Speech and Language Therapy**

**Mind-Body Interventions**

**Mindfulness Meditation**

_Hypnosis_

_Neurofeedback_
**Music Therapy**

**Art Therapy**

Chapter 9. Psychological Considerations

General References

Psychological Support and Counseling

Existential Distress

Anxiety
