I recommend that our library subscribe to the following journal:

BROOKINGS PAPERS ON ECONOMIC ACTIVITY

Janice Eberly, NORTHWESTERN UNIVERSITY and
James H. Stock, HARVARD UNIVERSITY /Editors

The Brookings Institution

P-ISSN: 0007-2303/E-ISSN: 1533-4465.

Published 2 times a year in Spring and Fall.

Please visit www.press.jhu.edu/journals for more information.

Important uses of Journal of *Brookings Papers on Economic Activity* would include:

Reference: For current research articles as I find them through citations in related journals or books.

Student Reading: I plan to scan the contents of new issues regularly to add to my students' reading lists.

Publication Outlet: My current research requires a publication outlet in this area. I need this journal to keep up to date with its editorial direction and interests.

Predicted Benefit for Library: My evaluation of this journal's content and direction is very high and it is cited and/or indexed heavily. Including this journal in our library will, in my assessment, add to the library's success in fulfilling overall department, faculty, and student needs.

Personal Affiliation & Dissemination: I regularly receive my own personal copy of the journal and will be recommending articles on a regular basis to students and colleagues. The library's help in providing this material is most appreciated.
